Career Objective

As a passionate B.Sc. IT student with a knack for coding and aim to leverage my technical skills and creative abilities to innovate within the tech industry. Eager to blend technical prowess with creative flair, my goal is to contribute to dynamic projects that push the boundaries of technology and enhance user experiences.

Skills

Programming Languages: HTML,CSS,Bootstrap,JavaScript,React Js,SQL

Soft skills: Adaptability, Effective Communication, Learning Agility, Collaboration

Personal Qualities: Innovative Mindset, Resilient, Passionate

Education

BSc Information Technology	2022 - 2025
Sri Krishna Adithya College Of Arts And Science Coimbatore	
Higher Secondary	2021 - 2022
Sethu vidyalaya matriculation higher secondary school , Coimbatore	
Secondary School	2019 - 2020
Sethu vidyalaya matriculation higher secondary school, Coimbatore	

Languages

- English
- Tamil

Certification

Introduction to AI Certificate, Coursera: Completed a comprehensive Introduction to AI course on Coursera, covering foundational concepts in artificial intelligence and machine learning. Gained practical knowledge in key AI techniques such as supervised learning, unsupervised learning, and reinforcement learning, and explored real-world applications across various industries. Developed a solid understanding of AI principles, ethical considerations, and the challenges associated with AI technology.

TECH TRIO COURSE ON C++ : Gained expertise in object-oriented programming, data structures, and algorithm development in C++. Completed practical projects that reinforced C++ programming concepts and best practices.

Extra Curricular

As a frequent traveller, I gained valuable skills such as adaptability, problem-solving, and cultural awareness by navigating diverse environments and interacting with people from various backgrounds. Through independent travel planning and managing logistics in unfamiliar settings, I developed strong organizational and time management abilities. Additionally, I enhanced my level of communication skill by listening to various languages.
